# TECHNICAL SKILLS

Languages: Java, JavaScript, C++

Web Technologies: React.js, Node.js, Express.js, MongoDB, TailwindCSS

Developer Tools: Visual Studio Code, Git, GitHub, Postman, Android Studio

# PROJECTS

## TeamSync - Collaborative Project Management Tool

Feb 2025 - Apr 2025

- Tech Stack: React.js, Node.js, Express.js, MongoDB, Socket.io, JWT
- Designed and developed a full-stack project management web application to improve team productivity and workflow efficiency.
- Implemented Kanban boards, Gantt charts, and task assignment features, improving project visibility and tracking.
- Enabled real-time collaboration with WebSocket-based communication, supporting instant chat, notifications, and status updates.
- Integrated JWT authentication and role-based access control, enhancing security and user management.
- Generated exportable reports (PDF/CSV) and CI/CD pipelines for deployment automation, increasing maintainability and scalability by 40%.

## CVR CSE Department Website

Jan 2025 – Mar 2025

- Tech Stack: Vite, React.js, Bootstrap
- Developed the official departmental website for CVR College of Engineering, improving online visibility by 50%.
- Built a responsive and accessible UI for consistent experience across devices, increasing mobile usability by 40%.
- Worked with faculty to organize academic content, increasing content discoverability by 35%.
- Optimized website performance and reduced load times, improving engagement by 30%.

## Code Canvas - Online Code Editor

Jul 2024 – Sep 2024

- Tech Stack: React.js, Node.js, Express.js, Firebase, TailwindCSS
- Developed a real-time HTML/CSS/JS editor inspired by CodePen, allowing users to write, preview, and share code
  instantly.
- Used Firebase to persist user code across sessions, improving reliability and user experience.
- Designed a responsive and customizable interface using TailwindCSS, improving usability and navigation by 25%.

#### EDUCATION

## CVR College of Engineering

Hyderabad, Telangana, IN

B. Tech in Computer Science and Engineering (CGPA: 9.44)

2022 -Present

# Sri Chaitanya Junior Kalashala

Hyderabad, Telangana, IN

Intermediate (Marks: 973/1000)

2020-2022

#### CERTIFICATIONS

Google Cloud Generative AI Virtual Internship.

Database Design from Oracle Academy.

Database Programming with SQL from Oracle Academy.

Database Programming with PL/SQL from Oracle Academy.

# Involvement

Solved 350+ problems on LeetCode, improving algorithmic thinking and data structures proficiency.

Qualified in GATE-2025 (CS) on the first attempt.

Served as Class Representative for three consecutive years during B.Tech, facilitating communication between faculty and students.
